

Shelter exists to defend the right to a safe home.

Thanks to our partnership with B&Q, the support and advice provided through our team of DIY Skills Advisers help turn a house into a comfortable home.

NEED HELP WITH DIY?

Want to make your house feel more like home, but lacking the skills and tools?

We can help.

How we can help

Our DIY Skills Advisers can help with housing improvements. By providing DIY advice and hands-on help, we'll support you to turn a house into a comfortable home.

Here are some of the things we can help with:

- Painting and decorating
- Shelving
- Fitting of curtain rails, curtains and blinds
- Building furniture
- Fencing repairs & installation of gates
- Gardening

We're not experts in everything, unfortunately we can't help with:

- Flooring or carpeting whole rooms
- Major plumbing, electrical work and gas maintenance
- Tree surgery or ongoing gardening work
- External or structural work
